Note.

Under G.O. No. 45-2 Edn., dt. 6.3.28, harmoniums may be purchased for indicating key notes for purposes of vocal music in girls' schools. A violin is ordinarily used when instrumental music is taught. Instrumental music is not ordinarily taught in elementary schools. The D.P.I may be consulted as to whether the cost of the violin may be debited to the E.E. Fund in this case.

To The Secretary to the Government of Madras,

Law Education Department.

Sir,

In submitting herewith the papers referred to me for remarks in Government Endorsement No.2472-A-2 dated 30- 7- 32 I have the honour to state as follows:-

ps ante

2. The post of a music teacher was not created in the Board Hindu Girls' School, Harihal; but on a representation from the then mistress that she was able to teach music on a violin, a violin is reported to have been purchased for the school. The Inspectress reports that music with Violin was never taught, but that only singing with a private harmonium was taught. The purchase of the

11

of the Violin was unnecessary and I do not recommend the debit of the expenditure to the Elementary Education Fund.

I have the honour to be,

S i r,

Your most obedient servant,
